Review: A collection of 26 short articles written during the democratic re-
form movement in 1951, and keyed to the theme of destroying the ex-
isting feudalistic and bureaucratic elements which were in control
of China's social and economic life. Discusses the bureaucratic
and feudalistic system of contract labor, "bogus" labor unions, and
the "secret agents" of the KMT who infiltrated factories and mines.
Calls on workers to unite and overthrow their feudal lords and be
their own bosses.
